

The Dome Youth Club

Building Accessibility Information

170 Weedington Road, London, NW5 4NU

Queen's Crescent Community Association

Overview

We are committed to improving inclusion and access to the Dome for all members of the community. Our team will always do anything they can to make adjustments or assist community members to enable participation whenever possible.

Building Information

The building is fully wheelchair accessible with a ramp to enter the front of the building that is of a DDA compliant height:length ratio (it is 1:18). It has a handrail on one side, and a width of 110cm. The front door is 137cm wide and does not open automatically.

The gym, kitchen, toilets, accessible toilet and changing rooms are all on the ground floor. The narrowest part of the corridor is 90cm wide and the door to the accessible toilet is 84cm wide.

To access the multisport hall, visitors enter through the front door to the building, then out the back door, across a small outdoor area and up a ramp which has a handrail but is not DDA compliant. The entrance to the sports hall has a step of 5.5cm and then the hall is reached using revolving doors or a two-door fire exit.

The upstairs space includes the main youth club space, the music studio and well-being room (which can be used as a quiet space). This can be reached through internal steps or a lift which connects the downstairs outdoor space and the upstairs indoor space.

Travel Information

The nearest bus stop (KV) is 320m away, for buses 46 and 24.

The nearest overground station is Gospel Oak, which is 640m away.

The nearest underground stations are Chalk Farm (960m away) and Kentish Town (1120m away).

Contact Information

If you have any questions, please contact the Outreach Lead by email at eva@qcca.org.uk

If you have any complaints, you can fill in our complaints form: [QCCA complaints form 2025 | Plinth](#).

If you are not happy with how we respond to your complaint, you can contact the Equality Advisory and Support Service (EASS).

This statement was prepared on 20/05/2026 and was last updated on 20/05/2026.
